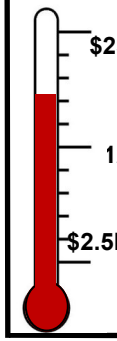
3) ***Use this QR code.***

Preparing for the Harvest!



We've raised **$18,200.00** The goal is **$25,000.00.** This will create more unpaved parking and cut fire breaks. This project is Harvest 2026

HAPPY MOTHER'S DAY 2026

In 1887, ***Mary Towles Sasseen***—a teacher in Henderson, Kentucky led her class in what is the first known observance of a Mother's Day, focusing just on honoring mothers. Later, Mary published a pamphlet about her vision for the special day to share with others. She traveled across the country to educational gatherings to promote the observance as a national holiday, primarily in public schools, with a suggested date of April 20, her mother's birthday. Schools in several states, including Springfield, Ohio, adopted the idea. Mary died in 1906, before her dream of a national holiday was realized. In 1926, the Kentucky legislature passed a resolution acclaiming Mary as the "originator of the idea of the Celebration of Mother's Day."
The Old Farmer's Almanac

Mother's Day, is a holiday in honor of mothers that is celebrated in countries throughout the world. In its modern form the holiday originated in the United States. It was established by American social activist ***Anna Jarvis***, who sought to honor her mother. The first Mother's Day church service was held on May 10, 1908. The day became a national holiday six years later, and it is observed in the U.S. on the second Sunday in May. Mother's Day is celebrated with cards, flowers, family dinners and family gatherings among other activities to share how special she is.
